## *About Belinda*

Belinda's passion and natural ability to speak straight to the heart of her audience leaves them inspired and ready to accept their own personal call to action. She has delivered speeches to audiences ranging from company leaders to start-up entrepreneurs to employees at All Hands meetings. Her stories relate to where they are at that moment while taking them where they are eager to go. She encourages them through her story to believe in the power of their own story.

Whether you're planning an inspirational keynote, a panel of business experts, or a gathering that requires a specifically themed address in support of your agenda, Belinda will be sure to enthrall her listeners and leave them refreshed and prepared for all that's to come.
